This video is the end product to show how a storyboard is used to put together a short video and is for Task 3 in TDT1.

Here is a link to a PDF of the script, which is the first thing you would develop before making your video: [Story Script](#)

Here is the link to a PDF of the storyboard (simple), which is the second thing you would develop in order to make your video. It is sort of like a map, it helps
